

Council nominations

The council shall govern and regulate the affairs
and business of the association

Role of Council

Council members are accountable for the overall governance of the College, which includes:

- Acting as one, in the best interests of the public.
- Defining strategic direction for the college.
- Overseeing fiscal management of the college.
- Appointment of the executive director of the college.
- Avoiding conflict of interest.
- Respecting confidentiality.
- Ensure compliance with legislation requirements under the Saskatchewan Medical Radiation Technologists Act, 2006, and the Bylaws.

- Networking and learning with/from professional peers.

BECOME A SAMRT COUNCIL MEMBER
